

Player Management Report

Generated 23/09/2026, 19:24:40

A snapshot of the player accounts that matched the filters on the Player Management page when this report was exported. Use it to review account status, roles and credit balances.

Filters Applied

The search and filter settings in effect when the report was generated. Only accounts matching these appear below.

Search term	None
Account status	All accounts
Role	All roles
Sorted by	username (ascending)

Summary

Totals across the listed accounts. "Blocked" accounts cannot log in or play. "Total credit balance" is the combined credits currently held by these players.

Accounts listed	0
Active accounts	0
Blocked accounts	0
Admins	0
Total credit balance	0.00

Accounts

Each row is one player account. "Balance" is the player's current credits; "Last Seen" is the last time the player was active in the game.

Username	Email	Balance	Role	Status	Member Since	Last Seen
