

Rounds & Player Activity Report

Generated 23/09/2026, 19:25:01

Round-by-round results and betting activity as shown on the Reports page. This export covers page 1 of 5 of the rounds list (90 rounds in total), most recent first.

Rounds Summary

"Wagered" is the total credits players bet across these rounds; "Paid Out" is the total returned to players who cashed out in time. The house result is wagered minus paid out — a positive value means the house won overall on these rounds.

Rounds in this export	20
Total bets placed	60
Total wagered	600.00
Total paid out	240.00
House result	360.00

Rounds

Each row is one round. "Crash" is the multiplier at which the plane crashed — players who had not cashed out by then lost their bet.
